RE: Committee Appearance Request for permission to enter into an agreement with Flock Group Inc. (Safety Raven)

Dear Alder Taft and Members of the F&P Committee:

I respectfully request to appear before the Finance and Personnel Committee to seek approval to enter into an agreement with Flock Group Inc., Contract # 2022080, for Flock Safety Raven.

The Flock Safety Raven provides affordable, infrastructure-light audio detection across cities. Flock Safety Raven is the best tool to locate the scene of a gun-related crime, attend to victims, and find the objective evidence needed to catch criminals. It detects gunshots at an effective listening range of 1500 feet and will be able to detect other audio events such as glass breaking, car crashes, street racing, and metal sawing. Flock Safety Raven fully integrates with the Flock Falcon Cameras to quickly go from a gunshot alert to a list of suspect vehicles entering and leaving the area in minutes.

Sincerely,

Maurice A. Robinson  
Chief of Police
