Public Works and Services Committee

From: Ara P. Molitor  
City Engineer

Re: Amendment to Chapter 94 of the Municipal Code. – One Way Streets

On behalf of Chairperson Alder Jones, DPW Staff recommends the proposed amendment to the City of Racine Municipal Code Chapter 94 Article II – Specific Street Regulations. More specifically Division 4 – One Way Streets, Section 94-81 – One Way Streets, Schedule E (b). We would like to DELETE the following item:

- Tenth Street, between Main Street and Lake Avenue, eastbound.

In the same section (Chapter 94 Article II – Specific Street Regulations. More specifically Division 4 – One-Way Streets, Schedule E (b)). We would like to AMEND the following:

- From: Lake Avenue, between Gaslight Drive and 12<sup>th</sup> Street, northbound.
- To: Lake Avenue, between 11<sup>th</sup> Street and 12<sup>th</sup> Street, northbound.

This request is in conjunction with the Two Way Conversion of Wisconsin Avenue Construction Project, awarded to Pro Electric Inc. in the fall of 2021.

Please note that if committee and council agree, this ordinance amendment does not take effect until the construction of the Lake Avenue 2-Way Conversion Project allows for directional traffic changes and bi-directional traffic on Lake Avenue and 10<sup>th</sup> Street.

There is no fiscal obligation for the City to amend the Municipal Code.

If the Committee agrees, the appropriate action would be to approve the amendment to the Municipal Code as described.
