Re: Preliminary resolution for paving assessable streets.

Subject: Communication Sponsored by Alder Lemke and Alder Jones, on behalf of the Commissioner of Public Works, submitting the following alleys to be included in the 2023 Public Hearing for 2024 Construction.

Staff Recommendation to the Public Works and Services Committee on 07-12-22: That the following alleys bounded by:

- North Street and Shoreland Drive and First Avenue and LaSalle Street
- Dekoven Avenue and 18th Street and Clark Street and Racine Street

as submitted by the Commissioner of Public Works, be considered for the reconstruction with Portland Cement Concrete Paving for the 2024 Construction season (2023 Public Hearings) and that a preliminary resolution be introduced.

Fiscal Note: This is an assessable alley project and, therefore, all costs will be paid by the abutting property owners.

If the Committee agrees, the appropriate action would be to approve the preliminary resolution to start the assessable process of a Public Hearing for the alleys listed above.
