City Engineer

Re: Amendment to Chapter 94 of the Municipal Code. – Parking Regulations.

On behalf of Chairperson Alder Jones, DPW Staff recommends the proposed amendment to the City of Racine Municipal Code Chapter 94 Article III – Parking Regulations. More specifically Section 94-141 – No Parking Zones, Schedule F:

We would like to ADD the following items to section (23) No parking from 6:00 am to 6:00 pm on Monday through Friday:

- Indiana Street, east side, from 20th Street south 150 feet.

This is for the purpose of aiding Superior Industrial Coating, Inc. in their shipping and receiving truck bays during the day and work week and also accommodating the residential side of the street in allowing overnight and weekend parking on the street in front of their house.

Please note that if committee and council agree, this action can take effect immediately.

There is no fiscal obligation for the City to amend the Municipal Code and only a nominal fee to produce and install the signs.

If the Committee agrees, the appropriate action would be to approve the amendment to the Municipal Code as described.
