

Amendment to Alcohol Beverage License Application

I have applied for an alcohol beverages license with the City of Racine, and would like to submit the following amendment to my license application:

- 1) The licensed premise description will include only the "first floor of the building".

I understand that the above amendment will be incorporated as part of my license application and business plan, and that I will be required to abide by and operate according to the above terms, if my license is approved.

Dated this 3rd day of August, 2022.
