Racine WI 53403

Dear Mayor,

I am writing this letter on behalf of LaPre Enterprise in regard to hosting a Community Block Party and resource fair located at 2711 19th St on Friday, August 19th from 5:00pm-8:00pm.

We are requesting that the following streets be approved to block off:

Quincy Ave  
19th and Grange

This is an annual event that we host in support of our families and community. Our Leaders In Training enjoyed their conversation with you and other community members last week. We hope to continue our annual event, with your permission for granting us to close the above blocks.

Thanks so much!
