Dear Mr. Gitter,

The Mount Pleasant Sewer Utility has reviewed and approved the plans for the Christina Estates Subdivision—Kovach CSM, a proposed development in the Village of Mount Pleasant, prepared by Nielsen, Madsen & Barber, S.C., dated 8-31-2022.

The extension in question includes approximately 26 L.F. of 8" diameter sanitary sewer and will serve one lot of a 4-lot CSM east of Emmertsen Road on Fox Run Lane. This extension will drain by gravity into the Mount Pleasant interceptor system.

We politely request that the Racine Wastewater Commission approve the aforementioned extension.

Sincerely,
Mount Pleasant Sewer Utility District #1

Anthony J. Beyer, P.E.
Director of Public Works/Village Engineer
