

Scope of Work
Communicable Disease Control and Prevention (LPHD and Tribal HD)
Funding Period July 1, 2022-June 30, 2023

Overview

The Communicable Diseases Funding passed in the 2021-2023 Biennial [Budget](#) allocated \$500,000 in GPR per year as a continuing appropriation to local and tribal health agencies for communicable disease control and prevention .

The budget language as passed states:

“252.185 Communicable disease control and prevention.

(1) From the appropriation under s. 20.435 (1)(cf), the department shall distribute moneys to local health departments to use for disease surveillance, contact tracing, staff development and training, improving communication among health care professionals, public education and outreach, and other infection control measures as required under this chapter. The department shall consider the following factors to establish an equitable allocation formula for the distribution of moneys under this section:

- (a) Base allocation, including at least some base amount for each local health department.*
- (b) General population.*
- (c) Target populations.*
- (d) Risk factors.*
- (e) Geographic area, including consideration of the size of the service area or the density of population, or both.*

(2) By January 1, 2019, and biennially thereafter, each local health department shall submit to the division of the department that addresses public health issues a financial statement of its use of funds under this section.”

Eligible Uses

The scope of eligible uses for this additional funding is relatively broad and reflects all responsibilities under chapter 252. Funding may be used for new projects as well as to offset increasing budgetary pressures resulting from ongoing disease surveillance and investigations at the local level. Examples of possible uses include but are not limited to:

- Reduce burden of communicable diseases (CD),
- Ensure or increase capacity to respond to CD events,
- Training to increase competencies around CD issues,
- Purchase additional equipment to allow for easier access when following up on CD reports (such as smartphones or tablets),
- More extensive/complete follow-up on communicable disease outbreaks/reports, or
- Increasing communicable disease awareness in the community along with practical prevention opportunities.

Prohibited uses include:

- Meals for trainings or conferences;
- Uses not intended for infectious disease prevention or follow up.

Reporting Requirement

The local agency is expected to submit its financial statement to the Director of the Bureau of Communicable Diseases of its use of funds for this fiscal year **no later than July 31, 2023**. Local and Tribal Health Agencies for Communicable Disease Funds will be asked to submit their Financial Reports through a designated form that will be provided at a later date. You will be asked to provide your contact information; a brief narrative describing how your agency or department used the allocated funds during the funding period; what the desired outcomes were for this funding; how you measured success or progress toward the desired outcomes and the indicators that were measured; indicate whether your agency or department engaged with any partners with the funding, who those partners were and their capacity; if your agency or department learned any lessons regarding how the funding was used and if you want to share those lessons; was there any additional information that you would like to share about the communicable disease funding.
