

Top Ten Sports Zone

## Amending Operating Hours Request

To;Public Safety and Licensing Committee and Common Council

I am writing this letter in regards to requesting a change of hours for the Top Ten Sports Zone Bar. We initially stated when we started our hours of operation would be 3pm-12:30 am Monday through Sunday. We are requesting our hours to be 4pm-130am Monday-Sunday. Our request is due to us being more available to our current customers because we typically don't get any customers until late in the evening and we majority about 75% of our sales in between the hours of 11pm-1am. We did take a proper approach by hiring an actual security firm 3 Kings. We also have a Racine PD off duty officer on the scene as well that we pay for to prevent any issues and properly run our establishment. We do believe with these proper security and off duty officers on the scene we can handle the crowd and safely and properly operate to better run our establishment. With our new hours we can better serve our customers and provide a safe establishment. Best number to reach me at is (262) 752-8312
