Re: Amendment to Chapter 94 of the Municipal Code. – Traffic and Vehicles.

On behalf of Chairperson Alder Jones, DPW Staff recommends the proposed amendment to the City of Racine Municipal Code Chapter 94 Article II – Specific Street Regulations, Division 2 – Speed Limits. More specifically Section 94-53 – Speed Limits Decreased, Schedule B:

We would like to DELETE the following:

- North Main Street, from 120 feet south of Barker Street to 130 feet north of Kewaunee Street.
- Byrd Avenue, from Perry Avenue to Sycamore Avenue.

Please note that if committee and council agree, these changes can take effect immediately.

There is no fiscal obligation for the City to amend the Municipal Code.

If the Committee agrees, the appropriate action would be to approve the amendment to the Municipal Code as described.
