To Whom It May Concern:

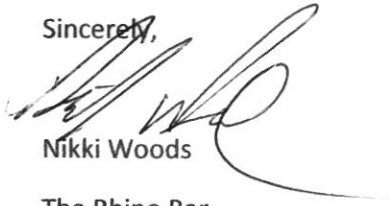

The Rhino Bar has held 5 block parties in honor of Savanna-Fest. We are requesting to have a block party fundraiser to benefit Racine's Fourth Fest. Fourth Fest is a committee that is comprised of Racine professionals that volunteer their time to raise money for the Racine 4th of July Parade and our fireworks.

The cost of our beloved parade and fireworks are extensive. Fourth Fest was founded 87 years ago and works hard on donations and fundraising so we can keep this long loved tradition.

We request to have High Street blocked off between Main St. and Chatham St. From noon-9:00pm on September 9th, 2023. The actual benefit will run from 2:00-7:00. The extra time allots us time to set up, tear down and clean.

Thank you for your consideration.

Sincerely,

Nikki Woods
