Legislative Report

File Number: Res. 0428-23

Agenda Date: 05/02/2023

File Type: Resolution

Change Positions in Department of City Development

Resolved, that the Support Services Manager position in the Department of City Development is eliminated;

Further Resolved, that Executive Administrative Assistant and Business Development Specialist positions are created in the Department of City Development;

And Further Resolved, that a Building Inspector II position is converted to a Building Inspector III position.

Fiscal Note: There is no budgetary impact associated with this change as the elimination of the Support Services Manager position will cover the cost of the new positions with grant funding support.
