

**Amendment to Alcohol Beverage License Application**

I have applied for an alcohol beverages license with the City of Racine, and would like to amend my license application as follows:

- 1) Premises description shall state, "Entire first floor of building."
- 2) The operating hours shall be amended to state: Monday through Sunday, 8:00 a.m. – midnight.

I understand that the above amendments will be incorporated as part of my license application and business plan, and that I will be required to abide by and operate according to these terms, if my license is approved.
