SPECIAL NOTES:

Staff attended a training with the Tenant Resource Center “Landlord and Tenant Law.” This training has updated staff about all the new changes in the landlord and tenant law in WI.

Staff is looking for opportunities to present to local community groups about fair housing rights. These presentations can help raise awareness, bring about more complaints, and in turn affirmatively further fair housing.

Staff met with the Racine Housing Authority to talk about the new AFFH planning process, the Housing Authority has agreed to join with the City of Racine to complete a regional plan. Also, the Racine Housing Authority wants to explore ways to more effectively involve residents.
