Written Description

The business being proposed will be a car dealership on the lot of "Bardales Auto Repair" where they will be fixing any repairs needed on the cars for sale. I will be purchasing vehicles from outside sellers such as craigslist or auctions, then repairing them (if needed), and selling them on the lot. I plan on selling 5 cars at most on the lot. The business will be open from 8am to 5pm Monday-Friday. Vehicles will be parked in the front then moved to the back once the business is closed for the day. For the car sale, no machinery will be used nor no noise issues will be considered. We will be providing the maintenance during the seasons.
