Statement of Special Use

8-29-18

-The Address is 2815 Durand Ave

- By transforming this location into a Dominos Pizza the building will be updated this will help the neighborhood continue to grow as jobs will be created. The general public welfare will be protected by the repair of the lighting on the building and in the parking lot so it will no longer be a dark area for people to congregate. All the parking Dominos will require will be contained on the property and since the service is all done inside the noise will be minimal to the neighbors.
- Dominos receives deliveries by Coke and their food vendor twice a week otherwise they do not receive any deliveries and the parking lot is large enough the delivery vehicle will be able to park on their parking lot while delivering.
- All the property maintenance will be the responsibility of the property owner. They plan to contract out the grass, plowing and garbage. Since the property owner also owns the Dominos they will handle enforcing parking standards, litter removal and daily site clean ups as Dominos Corporate has a strict standard they expect their franchisees to maintain.
