

Host Site Acknowledgement: ^{Beachside}~~North Beach~~ Oasis

Hi Scott,

Thank you for offering to be the host location for 'Merica 5K that will be held on July 3, 2019. On-Site registration will start at 5:30 p.m. and we will begin set up at 4:30 p.m.

We will put your logo on our event website as well as provide everything we need for on-site registration. All we need from you is the space to hold the registration and packet pick-up.

City of Racine Park and Rec is requiring written acknowledge from your establishment to proceed with the application process of the event. We appreciate all your help in this matter. Please sign and email back to me at tristin@ltracingevents.com.

Thank you so much for your help with 'Merica 5K.

Sincerely,

Tristin Erickson
