Dear Board of Review:

Thank you for taking the time to review the seven properties I purchased located at 2024 Golf Avenue, 3110, 3114, 3118, 3122, 3126, and 3134 Northwestern Avenue. These properties were purchased in July of 2018 for \$1,000,000; or \$142,857 per building. Each building is the same, 4 apartment units of 2 bedrooms and one-bathroom style. The buildings are operated as one property and have been for many years. It is not feasible to sell them as individual four family buildings due to the lack of parking, lot lines, common outside areas, etc. The properties have been on and off the market for the last four years before I purchased them. Enclosed are the last 10 months operating data which I also annualized. The properties were appraised for the lender when I purchased the buildings for \$1,100,000; or \$157,143 per building. As I've come to find out, the utility costs are almost double what the appraiser has underwritten. In my expertise, these properties are worth \$137,143 to \$146,286 per building. I own and operate the properties and I am also an investment sales broker with a national investment firm, specializing in apartment sales throughout Wisconsin. I've brokered the sales of 148 units in Racine as well.

Thank you for your time,

Matt Gordon
