Racine Revitalization Partnership 1402 Washington Ave Racine, WI 53403

To whom it may concern,

Racine Revitalization Partnership is submitting a request for funding through the White Box Grant program for 1418 Washington Avenue, Racine. The property includes two storefronts on the 1st floor, and two apartments on the 2nd floor. The White Box Grant improvement of the building will include the purchase and installation of new sub-floor and framing throughout entire 1st floor. Rough carpentry to include steel studs, drywall and insulation. All partition walls on 1st floor will be 8ft tall. Supply and install new electrical panel in basement. Supply and install all necessary switches, and outlets. All necessary electrical for water heater, furnace, AC unit, and bathroom area. Supply and install new water heater, necessary drainage for toilet and sink, water supply lines and new stack for first floor. Supply and install duct work, new furnace and AC unit, cold air return vents and provide adequate air flow to properly heat and cool first floor retail space.

Bringing this property back to the standards set by the city of Racine will help to increase interest in the Uptown neighborhood, increase property values and help residents of the area feel more secure.

With respect,

Ed Miller, Executive Director

Written Consent of Property Owner

Written consent of the property owner is required when the applicant and property owner are different entities or persons. Please submit with initial White Box grant application.

- I certify that I am aware of the attached application for the City of Racine White Box Program submitted for property that I own by a developer or leaseholder.
- I give my permission to the applicant, if a lessee or developer, to apply for the grant.
- I consent to the improvements proposed for my building and will accept responsibility for any permit or code violations that arise from the proposed improvements.
- I acknowledge that the City Building Division employees will inspect my property during the application period and will make reports as to compliance with building codes. By submitting this application, I consent to all inspections by the City Building Division employees for the purposes of this application consideration.
- I acknowledge that depending on the building, proposed use, size of building, building components, etc. it may be necessary for multiple City inspectors to inspect the building or space to provide a complete overview. The inspectors will assess the building and provide a Summary of Findings Report (SFR). The SFR will identify the major impediments necessary to address before occupancy of the building or space.
- I acknowledge the White Box Inspection is not intended to identify every detail or every code requirement. The intent is to identify significant deficiencies in the building or space (based on the applicant's proposed use) that will add a significant cost to their plan to occupy the space.
- I acknowledge that it may still be necessary for the applicant or me to obtain the services of a professional to prepare plans and specifications for their project.
- I certify that the subject property does not have any outstanding fees, penalties, or delinquencies with federal, state or local units of government (County, City of Racine).
- I certify that the subject property is not in foreclosure, litigation, condemnation, or receivership.
- I certify that I am not in violation of any City alcohol or soda licensing requirements.
- I certify that this subject building is more than 50 years old.
- I certify that this property is not tax exempt and is up to date on property taxes.
- I acknowledge that the applicant will receive the grant reimbursement and that reimbursement will be made after improvements have been inspected and proper documentation has been provided to the City of Racine.
