

Dear Friend in Our Community,

We hope this letter finds you well. Thank you for taking a few minutes to read this letter. Hope City Church was established in 2016 and has been downtown, at 944 Main St, since November of that year. Our heart has always been to not just be a church in the city, but to be a church FOR the city. Since the beginning giving back has been one of the main things we do as a church. Our motto at Hope City is "Our Hope is in Jesus. Our heart is for people. **Our hands serve our city.**"

We serve our city a number of ways. Twice a year we do a "Hope Week" where we serve our community through 15-25 different service opportunities each week. Once a month, we have our "Serve Saturday" where we pick one cause and go out and serve the community. We love our city and giving back has been a major part of what we do. Since the start of Hope City we've given away almost \$80,000.

So why are you receiving this letter? We're not trying to brag or boast about what we've done, but share an exciting opportunity for you to partner with us to give back even more to our community.

This summer, on **August 24th**, Hope City will host its first annual "Friends & Family Cookout" from 11am to 3pm at North Beach in Racine. This event is 100% for the community. We will be giving away hundreds of backpacks filled with school supplies. We will be giving away free food including hamburgers & hotdogs. This will be a fun, family-friendly event for the community. We will have yard games & music going as well. This is going to be an amazing event and we can't wait to love & serve our community through this new initiative.

It is our hope that we could secure the picnic grassy area across from Kids Connection / the large parking lot. This area will be most beneficial for what we're trying to accomplish & best help us serve our community with excellence.

From the bottom of our hearts THANK YOU for your time & consideration. We pray God's blessings on you, your family, your business affairs, and all that you do. Please let us know if you have any questions by calling us at 262-383-4673.
