Re: Waive Formal Bidding for the Purchase of HVAC Related Products

I am requesting that formal bidding procedures be waived for the purchase of HVAC related products from McCotter Energy Systems. McCotter is the factory authorized representative in our area for the HVAC units they provided under our HVAC upgrade projects. Since they are the sole source for parts and service for many of our proprietary branded mechanical systems, I would recommend that formal bidding procedures be waived for the purchase of products and services provided by McCotter Energy Systems.

Funding to defray the annual cost of this service is available in Org-Object 70240-54100, Building Repairs and Maintenance, which has a \$310,504.00 budgeted amount next year.

Sincerely,

Thomas M. Eeg
Assistant Commissioner of Public Works/Operations
