DC T Schulz,

Todd,

No need to slow the process down. I agree that we should apply for the grant, so the next step would be to get an Alder to sponsor the application and make an appearance before the Finance & Personnel Committee to formally request permission to apply (and if awarded) accept the grant.

Upon being provided with the appropriate background information, need and value of this resource, as a former police officer, Ald. Perez may offer his support in sponsoring this grant application.

I will speak with Ald. Perez directly and we will proceed accordingly.

We should definitely pursue this opportunity. The initial priority is to make a formal request to the Finance & Personnel committee to apply for and accept the ATF grant.

You can work with Mark, John and Corinne to set the wheels in motion. We will need an Alder to "sponsor" this project. Ald. Perez would likely be happy to do so.

I will connect with Ald. Perez directly to provide additional information.
