### **Acknowledgement and authorization signatures**

A conditional use is not like a building permit; applying does not mean it will be approved.

The approval may contain conditions related to the improvement of the site which must be met prior to the issuance of a building occupancy permit. Conditions related to the operational aspect(s) of the business must be complied with at all times. That, in the event site improvement work required by ordinance cannot be completed prior to desired occupancy, a financial assurance, at 100% of the improvement estimate, guaranteeing completion of the required improvements must be placed on file with the City of Racine. Estimates and Assurance documents are subject to the review and final approval by the City. Improvements may include but are not limited to landscaping, fencing, lighting, pavement surfacing and sealing, dumpster enclosures, and exterior building improvements;

The signature(s) hereby certify that the statements made by myself and constituting part of this application are true and correct. I am fully aware that any misrepresentation of any information on this application may be grounds for denial of this application.

Racine Planning Department

Conditional use permit updating for expansion of Wheels Small Engine Repair LLC.

1: The plan is to move the existing fence out into the parking lot 35 feet giving more storage space for current equipment and for new equipment to be sold.

Current stage area is 40 feet deep by 40 feet wide. The expansion will make the stage are 75 feet deep by 40 feet wide. By moving the fence 35 feet it will still allow for 30 feet of parking space before touching the fence in area. Area photo is attached with current storage area and proposed increase storage.

2: We will be expanding our business to sell new outdoor power equipment along with curretnly repair the same type of equipment. The new power equipment will be lawn machines like zero turns, tractors, walk-behind lawn mowers along with handheld lawn equipment.

3: Maintain and repair smaller construction equipment like smaller Case skid-steers.

4. Current conditional use permit is still the same with only these changes listed.
