Public Works and Services Committee

From: John Rooney  
Commissioner of Public Works

Re: Change in Right of Way Plat for 2703-11-00 Goold Street Project.

We are resubmitting the right of way plat for the Goold Street reconstruction project (WisDOT ID 2703-11-00). A revision was made to one parcel for the Temporary Limited Easement required for grading that parcel. The original submittal of the Right of Way Plat and Relocation Order was approved by this Committee on 10/13/20 and Common Council on 10/20/20.

The roadway reconstruction project is scheduled to begin in the spring of 2022 and completed that year.

There is no additional fiscal obligation from the City required.

If the Committee agrees, the appropriate action would be to approve the revised Right of Way Plat and authorize the signature of the Plat.

JCR/km
