The work on this project has been completed and we are requesting that final payment be authorized for a total contract amount of \$206,537.04, including retainage.

The project was authorized by Resolution No. 0759-20, dated November 12, 2020. Funding for this work is available in Org-Object 40402-57545, State Street Bridge. Since this is a lift bridge on a State Highway, the State of Wisconsin will reimburse the City for 100% of these project costs from the Annual Lift Bridge Reimbursement.
