From: John Rooney
Commissioner of Public Works

Re: Change in Right of Way Plat for 1693-34-76 Lake Michigan Pathway Phase 4 Project.

We are resubmitting the right of way plat for the Lake Michigan Pathway Phase 4 project (WisDOT ID 1693-34-76). Revisions were made to the utility parcels for the Temporary Limited Easements required for grading those parcels. The original submittal of the Right of Way Plat and Relocation Order was approved by this Committee on 2/23/21 and Common Council on 3/2/21.

The pathway project is scheduled to begin this summer and completed later this year.

There is no additional fiscal obligation from the City required.

If the Committee agrees, the appropriate action would be to approve the revised Right of Way Plat and authorize the signature of the Plat.

JCR/km
