

### 2021 Parade Route Adjustments

For 2021, adjustments have been made to the parade route to allow more space for spectators in regards to social distancing.

- Keeping the same staging area, with fewer units, will allow for more spacing between units in the staging area. This will also allow space to back the parade up the route as needed. (adding space for spectators)
- The parade route has also been extended at the end of the route to add to the overall length. This will add space on that end for spectators.

The route will be:

South on Main Street (starting from the staging area) to 14<sup>th</sup> Street.

West on 14<sup>th</sup> Street to Grand Avenue.

South on Grand Avenue to 16<sup>th</sup> Street.

West on 16<sup>th</sup> Street to Racine Street. End at Racine Street.

The areas surrounding the SC Johnson headquarters are large and open, which will also allow for further social distancing. Ending the route at Racine Street and 16<sup>th</sup> Street will allow units to disband and rejoin regular street traffic.

Further considerations and adjustments may be made as July 5<sup>th</sup> approaches.
