Finance and Personnel Committee Item -- VW Grant Round 1 grant agreement revision
-- Grant #261

Subject: Communication sponsored by Chairman Tate requesting authorization for the Mayor and City Clerk to sign a revised agreement with the Wisconsin Transit Capital Assistance Grant Program (VW Mitigation Program) Round 1 to fund up to seven buses and agreeing to a reduction of future State shared revenue payments to pay for the local share.

Staff recommends approval.

Note 1. File [1099-19](#) approved the original agreement. The agreement was signed by the City and the State.

Note 2. The only change to the agreement is in Attachment D. A seventh bus is being added to the original six. The opportunity of funding a seventh bus was created when the City was awarded a Federal Low No Emissions grant. With this revision the VW Mitigation and FTA Low No grant agreements are now consistent.

Note 3. The agreement dollar amount is not changed.

Thank you for your kind consideration.

Fiscal Note: The fiscal note is unchanged. Up to \$1,247,532 in reduced state shared revenue payments amortized over ten annual installments at zero percent interest starting the year that the reimbursement occurs.
