Subject: 3624 Washington Avenue

Hi Michelle,
Regarding the property at 3624 Washington avenue.

I am co-owner, landlord of the property at 3620 Washington Avenue (Next Door) to the east. My only concern with 3624 is that the brushes (Shrubs) on the northeast portion of the property that borders the driveway get trimmed down and get maintained to a reasonable height. When it snows, the weight pulls branches down and interferes the driveway passage.

I have not met the new owners, but Nancy Woods prior owner was pretty good at maintaining them.

Thank you,

David Volz
