Re: Request for Approval of Sanitary Sewer Extension
Coach Hills-Addition 2 Subdivision
Village of Mount Pleasant

Dear Mr. Gitter,

The Mount Pleasant Sewer Utility has reviewed and approved the plans for the Coach Hills-Addition 2 subdivision, a proposed development in the Village of Mount Pleasant, prepared by Nielsen, Madsen & Barber, S.C., dated 6-21-2021.

The extension in question includes approximately 367 L.F. of 8" diameter sanitary sewer and will serve a new 10-lot subdivision west of STH 31 and north of CTH C. The newly constructed sewer will drain east into the Village's Meter Area 12.

We politely request that the Racine Wastewater Commission approve the aforementioned sewer extension.

Please contact me if you have any questions at (262) 664-7849.

Sincerely,
Mt. Pleasant Sewer Utility District #1
