- Publication of Notice of Public Hearing for Final Plan:
 - 10/19/2021
 - 10/26/2021
 - 11/02/2021

Additional Information

It is anticipated that the municipalities' timeline for drafting and adopting their final ward plans, as well as any applicable aldermanic and/or combined reporting units (polling place) plans, would occur in the timeframe between the adoption of the Tentative County Plan (9/15/2021) and mid-October (approximately October 15, 2021.) This allows some time for any corrections or adjustments that may be necessary to the County Final Plan. It would also account for time needed for the Racine Unified School District to draft and adopt their districted area plans following the municipal adoptions.
