Re: Revised State/Municipal Agreement for State Project ID: 1693-34-06/76, Lake Michigan Pathway Phase 4

We have received a revised State/Municipal Agreement (SMA) for State Project ID: 1693-34-06/76, Lake Michigan Pathway Phase 4. The revision removes funding for real estate acquisition and redistributes it amongst design and construction. It does not change the total estimated cost, federal funds, and non-participating funds for the project.

If the Committee agrees, the appropriate action would be to approve the revised SMA and authorize the Mayor & City Clerk to sign and enter into the revised agreement.
