City Engineer

Re: Amendment No. 1 for Underground Facility Locating Services-Precise Underground Marking Corporation, Contractor

We have received Amendment No. 1 from Precise Underground Marking Corporation, Milwaukee, WI, to provide underground facility locating services for the City-owned fiber optic and electrical systems. The amendment is for the extension of the existing contract with a per ticket price of:

- Pre Screens - \$12.69
- Locates - \$16.24
- Site Visit - \$16.24
- Emergency (During business hours) - \$27.37
- Emergency (After business hours) - \$55.35
- Projects - \$34.23/Hr.

This extension is from January 1, 2022 through December 31, 2022 and represents a 3% increase from 2021 rates. The estimated annual cost of these services is \$90,000.00 and has been appropriated in the 2022 budget under Org-Object 14012-52100, Light Professional Services.

If the committee agrees, they should move to approve the amendment and authorize the Mayor and City Clerk to enter into the agreement.
