**Subject: (Direct Referral)** Communication sponsored by Mayor Mason requesting to enter into an agreement with Microsoft and DataKind for in-kind data science services.

**Fiscal Note:** No funds will be received. The contribution is entirely in-kind, and there is no equipment.

The pro bono technical advice and assistance services of the volunteer data scientist are valued at approximately \$25,000 for the anticipated two-month engagement period of August through September/early October 2019. The attached Services Agreement would be executed between the City of Racine and DataKind, should the Common Council authorize acceptance of this in-kind contribution.
