**Title:** Subject: Update on April 2020 Montélimar student visit  
The Racine Sister City Council will host fifteen students and two chaperones from Alain Borne High School in Montélimar from April 19-26. This program features a homestay and school visitation for our guests, and at this point we have secured host families for all of them. We hope that guests and hosts can get acquainted by social media soon. For host families with teenagers, our French guests will shadow them at school, and teachers will provide suitable guides for those guests where there is not a teenager at home. Rev. Guetzlaff distributed a tentative itinerary for the week, which will include a tour of Racine, a day in Milwaukee and a morning at Carthage College in addition to classroom visits at Case, Park, Walden or Horlick. Council members offered suggestions for itinerary items and publicity ideas for the week-long visit. Shortly before their arrival the Sister City Council will host an evening meeting for host families.
