Ms. Anjuman Islam, Ph.D.
Racine Water Utility
800 Center Street, Room 231
Racine, WI 53403

Subject: Dixon Engineering, Inc. 2026 service fees

Dear Ms. Islam:

As we plan for the upcoming fiscal year, I wanted to provide an outline of the anticipate costs associated with tank maintenance.

Based on our current scope of work and projected needs, we anticipate total cost for this fiscal year to be approximately \$21,042. This estimate includes:

\$1,300	2,000,000-gallon Concrete Reservoir (East) – Security Inspection.
\$1,300	2,750,000-gallon Concrete Clearwell – Security Inspection.
\$1,300	3,000,000-gallon Concrete Reservoir (Neuman Road) – Security Inspection.
\$5,490	1,500,000-gallon Radial Arm (Summit Avenue) – Drained Maintenance Inspection w/Cleaning.
\$5,490	2,750,000-gallon Standpipe (Perry Avenue) – Drained Maintenance Inspection w/Cleaning.
<u>\$5,160</u>	750,000-gallon Composite (Renaissance Boulevard)–Drained Maintenance Inspection w/ Cleaning
\$20,040	Total for DNR required inspection for 2026.
<u>\$1,002</u>	5% Contingencies
\$21,042	

Please note that these figures are based on the scope outlined and may be adjusted based on changes in scope and service requirements. We will continue to communicate proactively regarding any changes that may impact on the overall budget prior to performing any work that would change the pricing above.

We value our partnership and appreciate the opportunity to continue supporting your needs. If you would like to discuss these estimates in greater detail or review specific budget items, please do not hesitate to contact me.

If you have any questions, please contact me at (414) 429-3430.
