Public Works and Services Committee

From: Ara P. Molitor
City Engineer

Re: Amendment to Chapter 94 of the Municipal Code. – Traffic and Vehicles.

On behalf of Chairperson Alder Harmon and Alder Davis, DPW Staff recommends the proposed amendment to the City of Racine Municipal Code Chapter 94 Article II, Division 2 – Speed Limits. More specifically Section 94-52 – Speed Limits Increased, Schedule A, section (1):

We would like to EDIT the following item in section (1) Thirty Miles Per Hour:

- From: 12th Street, From east junction of Washington Avenue to west junction of Washington Ave.
- To: 12th Street, From east junction of Washington Avenue to South Memorial Drive.

Please note that if committee and council agree, these changes can take effect immediately. There is no fiscal obligation for the City to amend the Municipal Code. If the Committee agrees, the appropriate action would be to approve the amendment to the Municipal Code as described.
