SUBJECT: Final Payment Request – W-25-7 – 2025 Private Lead Service Replacement

Dear Commissioners:

The work performed by Mid City Corporation (contractor) on Contract W-25-7, 2025 Private Lead Service Replacement, has been completed. The contract totaled \$473,884.70, which included three change orders. At the time of contracting, it was indicated by the previous Assistant Finance Director that the RWP Ordinance only applied to “City-source funds/Water Utility funds” and, therefore, contract W-25-7 was exempted from the Racine Works Program. City Finance has confirmed that this requirement is not needed to finalize payment. We recommend that the work be accepted and that final payment be authorized.

Sincerely,

A handwritten signature in black ink, appearing to read 'Anjuman', is written over a horizontal line. A vertical line extends upwards from the right end of the horizontal line.
