Grant Agreement

ARTICLE 1. TERMS OF PAYMENT

- A. Consistent with s. 85.205, Wis. Stats., the Department shall pay the Award Maximum specified in this Agreement to the Recipient, to assist with costs that the Recipient incurs in providing complementary paratransit service, either directly or indirectly through the use of one or more third parties, as a component of its public mass transit system (“Transit System”) during calendar year 2026.
- B. In the event sufficient funds are not made available under sec. 20.395, Wis. Stats., the Department will amend this Agreement to reduce payment amount as necessary.
- C. The Department may withhold any and all payments due and owing the Recipient if the Recipient has not submitted any report or other record required under the terms of this Agreement, until such time as the Recipient submits it as prescribed by the Department.

ARTICLE 2. RECIPIENT RESPONSIBILITIES

- A. The Recipient shall provide complementary paratransit service, i.e., comparable transportation service required by the Americans with Disabilities Act of 1990 for individuals with disabilities who are unable to use fixed-route transportation systems.
- B. The Recipient shall submit all program reports, invoices, and other required documents in the manner and form that the Department prescribes.
- C. The Recipient shall pay the total operating deficit of the Transit System as its bills become due. If the Recipient contracts for complementary paratransit service with a third-party transportation provider, the Recipient shall pay the provider consistent with contract terms and actual monthly operating deficits, and shall make payments within thirty (30) days of Recipient's receipt of invoice. The Recipient may reduce payments to the provider by an amount equal to any overpayments made to the third party under this Agreement.
- D. The Recipient shall ensure that the Transit System provides reduced-fare programs for elderly and handicapped person during non-peak hours. Such reduced fares may not exceed one-half of the full adult cash fare applicable during peak hours of operation. This requirement is not applicable if the Transit System is a shared-ride taxi system.
- E. The Recipient shall operate the Transit System as outlined in its approved Application. If the Recipient determines that service changes are necessary, it shall obtain written approval from the

Department before proceeding with the changes.

- F. The Recipient may not use funds paid under this Agreement for expenditures incurred outside the Period of Performance unless the Recipient has sought prior written approval from the Department and has received such approval from the Department.
- G. The Recipient may not use program monies to purchase service from or make sub-grants to any third party without an attendant written contract, agreement, or purchase-of-service order, that has been prepared and executed consistent with Department procedures and with applicable federal and/or State of Wisconsin procurement requirements. Third-party contracts, agreements, or purchase-of-service orders shall be available for inspection by Department officials, employees, or designees upon request.
- H. The Recipient shall ensure that the Transit System is managed and operated consistent with the provisions of the Management Plan. If the Recipient wishes to modify the nature of the services that the Transit System provides, it shall so notify the Department in writing, in a manner prescribed by the Department, at least fourteen (14) calendar days prior to implementing the service modification.

If the Department determines that a proposed modification is a "substantive change" to the Transit System and the Department concludes the modification is permissible under state law, the Department shall prepare an amendment to this Agreement and issue it to the Recipient for execution. The Recipient may not implement any "substantive change" until a corresponding amendment to this Agreement has been executed.

If the Department determines that a proposed modification is a "non-substantive change," the Department shall so notify the Recipient, and a formal amendment to this Agreement shall not be required.

Upon receiving either an Agreement amendment or notification of a "non-substantive change" determination from the Department, the Recipient shall update its Management Plan accordingly. The Recipient shall provide the Department with the updated Management Plan in the form and manner that the Department specifies, within fourteen (14) days of receiving either the Agreement amendment or notification of a "non-substantive change" determination.

- I. All materials, equipment, and supplies that the Recipient acquires under this Agreement must comply fully with all safety requirements as set forth in law or rule by the State of Wisconsin, and with all applicable OSHA Standards.
- J. If local public bodies other than the Recipient contribute assistance to the operation of the Transit System, the Recipient shall allocate the state aid received under this Agreement among them in proportion to their contributions.

**ARTICLE 3. ACCOUNTING, RECORDS, AND AUDITS**

- A. The Recipient shall have a single, organization-wide financial and compliance audit performed by a qualified independent auditor, if required to do so under federal law and regulations. This audit shall be performed in accordance with federal Office of Management and Budget (OMB) Super Circular 2 CFR Part 200 and state single audit guidelines issued by the Wisconsin Department of Administration. Upon notice of any findings from this audit that involve the use of program funds, the Recipient shall inform the Department within fourteen (14) days of receiving such audit findings.
- B. All costs that the Recipient incurs under this Agreement shall be supported by properly executed payrolls, time records, invoices, contracts, and/or vouchers indicating the purpose of the charges. The Recipient and the Recipient's contractors, subcontractors, and their affiliates shall maintain all documents and evidence pertaining to revenues, expenses, and cost allocations related to this Agreement. The Recipient shall be responsible for ensuring the compliance of all Recipients, contractors, subcontractors, and affiliates with this provision.
- C. The Recipient shall retain all accounts and records as required above for a minimum of three (3) years after receipt of final payment under this Agreement, and until the Department completes its audit of Transit System financial activity during the Period of Performance, and shall be available upon request by the Department or its designee for inspection and audit purposes.
- D. In conducting its audit, the Department shall determine the Transit System's eligible operating expenses, revenues, and operating deficit. Such determinations by the Department shall be made in accordance with generally accepted accounting principles and practices. The Department shall also determine the allowable federal share of the operating deficit.
- E. If the Department's audit establishes that payment to the Recipient under the terms of this Agreement has exceeded the amount for which the Recipient is eligible, the Recipient shall refund to the Department upon demand a sum sufficient to reduce the payment to comply with the maximum allowed under s. 85.205, Wis. Stats., given the Recipient's allowable expenses incurred and revenues received during the Period of Performance.
- F. The Recipient shall permit the Department or its designee access to inspect all vehicles, facilities, and equipment that are acquired with funds provided under this Agreement; all transportation services rendered by the Recipient through the use of such vehicles, facilities, and equipment; and all relevant project data, documents, and records.

ARTICLE 4. TERMINATION OF AGREEMENT

- A. The Department may terminate this Agreement at any time that the Department Secretary determines that the Recipient, lessee, or any third-party contractor has failed to perform in the

manner called for in the Agreement, or has failed to fulfill contract obligations. Failure of the Recipient or any third-party contractor to comply with the terms and conditions of this Agreement shall be considered cause for termination.

- B. The Recipient may terminate this Agreement upon receipt of a written, formal request by the Department at least thirty (30) calendar days prior to the proposed termination date.
- C. In the event that this Agreement is terminated, the Department shall be liable only for state aid payments for services rendered before the effective date of termination.

ARTICLE 5. WHOLE AGREEMENT

All attachments and appendices to this Agreement are incorporated herein by annexation. Further, this Agreement incorporates by reference the entirety of the Recipient's 2026 Public Transit Assistance Program application, including the Management Plan and other documents attached thereto.

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. To indicate to us that you are changing your mind, you must withdraw your consent using the DocuSign 'Withdraw Consent' form on the signing page of your DocuSign account. This will indicate to us that you have withdrawn your consent to receive required notices and disclosures electronically from us and you will no longer be able to use your DocuSign Express user account to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through your DocuSign user account all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below.
